**T**he proceeds from the golf tournament taking place at the **Diamondhead Golf Club** on Sunday, Sept. 10th at 8 am goes to support the Ernie Faucett Scholarship fund. Scholarships are awarded to students who are dependent children or stepchildren of employees of ARWA member water utilities to assist with the cost of attending college. The funds to provide these scholarships are earned through donations and your support of our Ernie Faucett Scholarship fund raising events throughout the year. Last year, thanks to our supporters and golf tournament participants, we were privileged to give out twenty-two scholarships at last year's conference. This is our way of giving something back to our water community. We are honored and proud to be able to award these scholarships to these students and hope that we can continue to help in their educational endeavors. In order to continue to support the dependents of our water and wastewater family, we need your participation in the golf tournament. You can participate by playing, being a sponsor, or both. A prominent sign will be placed at holes on the golf course for hole sponsors, recognizing your support for the Ernie Faucett Scholarship. Whether you are a regular or new attendee, please consider participating in this year's scholarship golf tournament at the Diamondhead Golf Club.
