OUTDOOR EQUIPMENT DEMONSTRATIONS

You don't want to miss out on this excellent opportunity to present your products and services to utility personnel in a casual and fun outdoor environment.

This is not an exhibition hall. It's a live event with hands-on demonstrations geared toward generating interest in your products by those who will be purchasing and using them in their utilities.

You are responsible for bringing extension cords and water hoses and fittings.

SET UP TIME
Wednesday, June 21, 2017
Noon until 5:00 P.M.

The ARWA facility has two gates into the parking lot, which will be locked at night. However, ARWA is not responsible for the safety of your property and equipment.

Bring promotional items and conduct contests at your demonstration area.

Let us know about special activities so that we may schedule and promote your event.

You may provide non-alcoholic refreshments at your demonstration area.

You may award prizes throughout the day. We will have a public address system available for contest announcements.

We look forward to seeing you at the 2017 Operator Expo.
