

Bailey Special Risks has partnered with NRWA to provide cyber security insurance to water and wastewater systems. This exclusive program offers Beazley Breach Response, a unique insurance, loss control and risk mitigation service that notifies and protects the customers who have suffered a data breach.

Coverage Highlights

- Data breach notification and credit or identity monitoring services for up to 100,000 affected individuals, with separate coverage limits for third party claims
- Breach response coverage includes forensic and legal assistance, notification costs, credit monitoring services, loss prevention services and identity theft-related fraud resolution
- Crisis management sublimit for public relations and extraordinary notification expenses
- Low per-incident retentions
- Policy also provides a separate \$1 million limit of liability for privacy, network security and media claims
