

About the . . . ARKANSAS RURAL WATER ASSOCIATION

The Arkansas Rural Water Association is a non-profit organization whose purpose is to assist water systems with day-to-day operational and management problems. We have on our staff, experienced and licensed operators who are familiar with all aspects of water systems' operations and management and are ready to work with you at any time. We conduct training sessions throughout the State. Noted water industry professionals bring informative and up-to-date information to the operators and management personnel. The Arkansas Rural Water Association strives to meet the needs of each individual water system. If you have any suggestions on how we could better serve you and your system, please let us know.
